7-30-03, 8-13-03**

BOARD MEETINGS

Philosophy - The Storey County School Board believes meetings are an opportunity for members of the staff and public to observe and participate in the decision making process of the Storey County School District in accordance with all Nevada Revised Statutes.

1. The Storey County School Board will regularly hold meetings two (2) times per month. The days will be determined at the first board meeting of each year. Meetings will routinely begin at 6:00 p.m., at a location posted pursuant to NRS statutes. However, by majority vote of the Board, the day, time and location of a meeting may change. Business agenda items that require Board action will be added to either meeting to expedite the consistent operations of the Storey County School Board.
