**PATRIOTIC EXERCISES**

The Storey County School District Board of Trustees believes one's appreciation of country is promoted by the ceremonies and observances held in our schools and that the United States flag is a symbol of our democratic heritage, ideals and freedom.

Furthermore, the Board believes saluting the flag and reciting daily the Pledge of Allegiance, helps students learn and reinforce these principles.

Therefore, the Board encourages all students/staff in grades kindergarten through twelve, to recite the Pledge of Allegiance at a time and manner specified by the site administrator.

No one will be required to salute the flag if it is against his/her belief.

Students are required to remain quiet and respectful during the Pledge of Allegiance.
